White Cap Named in the Top Ten of the 2022 Top Workplaces by The Atlanta Journal-Constitution

ATLANTA, March 14, 2022 /PRNewswire/ -- White Cap has received the [Top Workplaces 2022](#) honor by The Atlanta Journal-Constitution and ranks number eight in the Large Workplaces Category. The list is based solely on employee feedback gathered through a third-party survey administered by employee engagement technology partner [Energage](#), LLC. The anonymous survey uniquely measures 15 culture drivers that are critical to the success of any organization: including alignment, execution, and connection.

"We have a very passionate and driven team of sales, operational, and functional talent that creates a unique culture of teamwork and customer service, made possible by our focus on diversity, inclusion and our strong internal values," stated John Stegeman, CEO of White Cap. "It is an honor to see this reflected in being named an Atlanta Top Workplace as our own associates had a direct impact in making this happen."
