About U.S. Marine Corps Reserve Toys for Tots Program

Toys for Tots, a 75-year national charitable program run by the U.S. Marine Corps Reserve, provides year-round joy, comfort, and hope to less fortunate children across the nation through the gift of a new toy or book. The impact of toys, games and books distributed to children in need is extraordinary. The gifts that are collected by Marines and volunteers during the holiday season, and those that are distributed beyond Christmastime, offer disadvantaged children recognition, confidence, and a positive memory for a lifetime. It is such experiences that help children become responsible citizens and caring members of their community. For over seven decades, the program has evolved and grown exponentially having delivered hope and the magic of Christmas to over 281 million less fortunate children. Now, in our 75th year, the Marine Corps Reserve Toys for Tots Program also provides support year-round to families experiencing challenges and exceptional circumstances, thus fulfilling the hopes and dream of millions of less fortunate children nationwide. The Marine Toys for Tots Foundation is a not-for-profit organization authorized by the U.S. Marine Corps and the Department of Defense to provide fundraising and other necessary support for the annual Marine Corps Reserve Toys for Tots Program.
