

White Cap Named a 2023 Top Workplace by The Atlanta Journal-Constitution

ATLANTA, March 20, 2023 /PRNewswire/ -- White Cap has received the Top Workplaces 2023 award by The Atlanta Journal-Constitution for the second year running. The list is based solely on employee feedback gathered through a third-party survey administered by employee engagement technology partner [Energage](#), LLC. The anonymous survey uniquely measures 15 culture drivers that are critical to the success of any organization: including alignment, execution, and connection.

"We are so fortunate to have many talented individuals from different backgrounds who bring diverse perspectives and skill sets to our team," said John Stegeman, CEO of White Cap. "Our associates are the heart of White Cap and make our culture what it is. We are proud that their feedback resulted in another year of this great recognition."
