

White Cap Releases 2023 Sustainability Report

ATLANTA, June 18, 2024 /PRNewswire/ -- White Cap, the leading distributor of specialty construction supplies and safety products for professional contractors, today released its third [Sustainability Report](#) to highlight current initiatives and progress made over the past year in support of its sustainability commitments.

This [2023 Sustainability Report](#) highlights White Cap's efforts to reduce environmental impacts across its supply chain; provide a socially conscious workplace that nurtures associate, customer, supplier and community relationships; and operate with integrity, transparency, equality and respect across its operations. These efforts are a result of White Cap's Commitments to:

- Responsible Construction
- Operational Integrity and Safety
- Our People and Communities
- Governance and Security

"As we continue to grow through the expansion of the White Cap family and opening new locations, we have even more opportunities to positively impact our planet, our communities and one another," said Alan Sollenberger, CEO of White Cap. "The journey ahead is filled with promise, and we are excited about the valuable impact we can create as one team."
